BOARD POLICY 1312.3: Uniform Complaint Procedure

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

Complaints Subject to UCP

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal laws or regulations governing any program subject to the UCP which is offered by the district, including adult education programs; After School Education and Safety programs; agricultural career technical education; American Indian education centers and early childhood education program assessments; bilingual education; California Peer Assistance and Review programs for teachers; state career technical and technical education, career technical, and technical training programs; federal career technical education; child care and development programs; child nutrition programs; compensatory education; consolidated categorical aid programs; Economic Impact Aid; the federal Every Student Succeeds Act; migrant education; Regional Occupational Centers and Programs; school safety plans; special education programs; California State Preschool Programs; Tobacco-Use Prevention Education programs; and any other district-implemented state categorical program that is not funded through the local control funding formula pursuant to Education Code 64000

2. Any complaint, by a student, employee, or other person participating in a district program or activity, alleging the occurrence of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) in district programs and activities, including in those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on the person's association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)

3. Any complaint alleging district noncompliance with the requirement to provide reasonable accommodation to a lactating student on school campus to express breast milk, breastfeed an infant child, or address other breastfeeding-related needs of the student (Education Code 222)

4. Any complaint alleging district noncompliance with requirements to provide a pregnant or parenting student the accommodations specified in Education Code 46015, including those related to the provision of parental leave, right of return to the school of previous enrollment or to an alternative education program, if desired, and possible enrollment in school for a fifth year of instruction to enable the student to complete state and Board-imposed graduation requirements (Education Code 46015)

5. Any complaint alleging district noncompliance with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)
6. Any complaint alleging district noncompliance with applicable requirements of Education Code 52060-52077 related to the implementation of the local control and accountability plan, including the development of a local control funding formula budget overview for parents/guardians (Education Code 52075)

7. Any complaint alleging noncompliance with requirements related to the development of a school plan for student achievement or the establishment of a school site council, as required for the consolidated application for specified federal and/or state categorical funding (Education Code 64000-64001, 65000-65001)

8. Any complaint, by or on behalf of a student who is a foster youth as defined in Education Code 51225.2, alleging district noncompliance with any requirement applicable to the student regarding placement decisions; the responsibilities of the district's educational liaison to the student; the award of credit for coursework satisfactorily completed in another school, district, or country; school or records transfer; or the grant of an exemption from Board-imposed graduation requirements (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

9. Any complaint alleging district noncompliance with the physical education instructional minutes requirement for students in elementary school (Education Code 51210, 51223)

10. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy

11. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and requirements related to UCP, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services Protective Services Division and the appropriate law enforcement agency.

2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.

3. Any complaint alleging fraud shall be referred to the Legal, Audits and Compliance Branch of the California Department of Education.

Any complaint alleging employment discrimination or harassment shall be investigated and resolved by the district in accordance with the procedures specified in AR 4030 - Nondiscrimination in Employment, including the right to file the complaint with the California Department of Fair Employment and Housing.

Any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, teacher vacancies and misassignments, or health and safety violations in any license-exempt California State Preschool Program shall be investigated and resolved in accordance with the procedures in AR 1312.4 - Williams Uniform Complaint Procedures. ADMINISTRATIVE REGULATION 1312.3: UNIFORM COMPLAINT PROCEDURE

Except as may otherwise be specifically provided in other district policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in the accompanying Board policy.

Compliance Officers

The district designates the individual(s), position(s), or unit(s) identified below as responsible for receiving, coordinating, and investigating complaints and for complying with state and federal civil rights laws. The individual(s), position(s), or unit(s) also serve as the compliance officer(s) specified in AR 5145.3 - Nondiscrimination/Harassment responsible for handling complaints regarding unlawful discrimination, harassment, intimidation, or bullying and in AR 5145.7 - Sexual Harassment for handling complaints regarding sexual harassment.

Executive Director of Student Services
11232 El Camino Real
San Diego, CA 92130
(858) 755-9301 ext 3694

For information related to sexual harassment involving employees, see BP/AR 4119.11/4219.11/4319.11 – Sexual Harassment and BP/AR 5145.7

Assistant Superintendent of Human Resources
11232 El Camino Real
San Diego, CA 92130
(858) 755-9301 ext 3684

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program; applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, harassment, intimidation, or bullying; applicable standards for reaching decisions on complaints; and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.
The compliance officer or, if necessary, an appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

Notifications

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

In addition, the Superintendent or designee shall annually provide written notification of the district's UCP to students, employees, parents/guardians of district students, district advisory committee members, school advisory committee members, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

The notice shall include:

1. A statement that the district is primarily responsible for compliance with federal and state laws and regulations, including those related to prohibition of unlawful discrimination, harassment, intimidation, or bullying against any protected group, and a list of all programs and activities that are subject to UCP as identified in the section "Complaints Subject to UCP" in the accompanying Board policy

2. The title of the position responsible for processing complaints, the identity of the person(s) currently occupying that position if known, and a statement that such persons will be knowledgeable about the laws and programs that they are assigned to investigate

3. A statement that a UCP complaint, except a complaint alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed no later than one year from the date the alleged violation occurred

4. A statement that a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying must be filed no later than six months from the date of the alleged conduct or the date the complainant first obtained knowledge of the facts of the alleged conduct

5. A statement that a student enrolled in a public school shall not be required to pay a fee for participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities

6. A statement that a complaint regarding student fees or the local control and accountability plan (LCAP) may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint

7. A statement that the district will post a standardized notice of the educational and graduation requirements of foster youth, homeless students, children of military families, and former juvenile court school students now enrolled in the district, as specified in Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and the complaint process

8. A statement that complaints will be investigated in accordance with the district's UCP and a written decision will be sent to the complainant within 60 days from the receipt of the complaint, unless this time period is extended by written agreement of the complainant

9. A statement that, for programs within the scope of the UCP as specified in the accompanying Board policy, the complainant has a right to appeal the district's investigation report to the California Department of Education (CDE) by filing a written appeal, including a copy of the original complaint and the district's decision, within 30 calendar days of receiving the district's decision

10. A statement advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal laws prohibiting discrimination, harassment, intimidation, or bullying, if applicable

11. A statement that copies of the district's UCP are available free of charge

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.6 shall be posted on the district and district school web sites and may be provided through district-supported social media, if available.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.
If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's UCP policy, regulation, forms, and notices shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

**Filing of Complaints**

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization. (5 CCR 4600)

2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee.

3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred. For complaints related to the LCAP, the date of the alleged violation is the date when the County Superintendent of Schools approves the LCAP that was adopted by the Governing Board. (5 CCR 4630)

4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. (5 CCR 4630)

5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

**Mediation**

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in
writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination, harassment, intimidation, and bullying, the respondent shall be informed of any extension of the timeline agreed to by the complainant.

Investigation Report

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law
3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, harassment,
intimidation, and bullying, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, and bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district’s complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)
For complaints alleging noncompliance with the law regarding student fees, the district, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the district's investigation report. (5 CCR 4632)

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including at least one of the following: (5 CCR 4632)

1. The district failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the district's investigation report lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the district's investigation report are not supported by substantial evidence.
4. The legal conclusion in the district's investigation report is inconsistent with the law.
5. In a case in which the district found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the district's investigation report
3. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
4. A report of any action taken to resolve the complaint
5. A copy of the district's UCP
6. Other relevant information requested by CDE

If notified by CDE that the district's investigation report failed to address allegation(s) raised by the complaint, the district shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not addressed in the original investigation report. The amended report shall also inform the appellant of the right to separately appeal the amended report with respect to the allegation(s) that were not addressed in the original report. (5 CCR 4632)
