OF EDUCATION

PROJECT ZERO

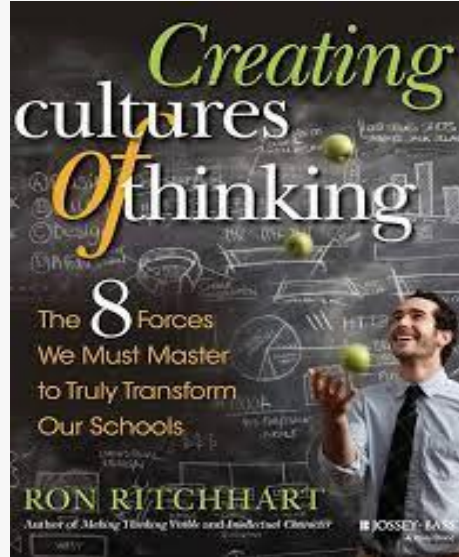

# What is Project Zero Classroom?

Supports playful learning in classrooms and schools.

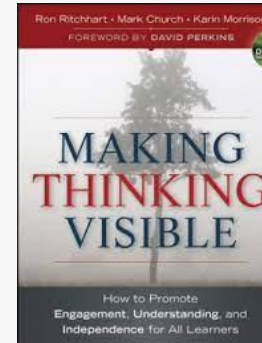

Investigates the promise, practices, and pedagogy of maker-centered learning.

Builds dynamic learning communities that engage students in critical thinking and deeper content knowledge.

CENTER FOR  
DIGITAL  
THRIVING

Classroom approaches to empower mindful and prosocial digital engagement.

Integrates the development of students' thinking with content learning across subject matters.

# Cultures of Thinking in DMUSD
