

Addendum No. 1 to
BID 2223-05 Playground Demolition and Installation- Ocean Air School
Addendum Dated: April 26, 2023
Original BID Issued Date: April 14, 2023

All updates and questions received are posted below with corresponding answers.

Exhibit "A" Scope of Work,

1.1

B. updated as follows:

Related Requirements: Be a factory certified installer of Playworld Equipment with a minimum of five (5) years in business. ~~Installers are required to pickup playground equipment from warehouse located in Orange County, California and transport to Sage Canyon School Site for installation. Installers will be responsible for coordinating the delivery and unloading of playground equipment at Ocean Air School.~~

Q: Will installation of new poured-in-place rubber surfacing be included within the scope of work for both play areas?

A: No, the rubber surface is not part of the demolition and installation of the playground equipment.

Q: Please clarify the color of the new rubber play surfacing for each play area.

A: The rubber surface is not part of the demolition and installation scope of work.

Q: Please clarify the binder type to be used within the top ½" thick colored wear course for the new rubber play surfacing? Aromatic or Aliphatic?

A: The rubber surface is not part of the demolition and installation scope of work.

Q: Where can I find the plans for the playground projects?

A: All documents can be found at:
