

Addendum No. 2 to
RFP 2122-04 Technology Equipment (E-Rate)
Addendum Dated: November 16, 2021
Original RFP Issued Date: November 4, 2021

All questions received are posted below with corresponding answers.
The RFP timeline remains unchanged.

Q: Please confirm the tax rate.

A: The tax rate is 7.75% as outline on the California Department of Tax and Fee Administration (CDTFA) website at <https://maps.cdtfa.ca.gov/>

Q: Regarding the FLEX Licensing for the 70 IP Phones, do you have an existing FLEX EA in place?

A: Yes

Q: Regarding the FLEX Licensing for the 70 IP Phones, are you running Cisco UCM on Prem or in the Cloud?

A: On Prem

Q: Regarding the FLEX Licensing for the 70 IP Phones, which version of UCM are you currently on?

A: Version 11.5

Q: Regarding the installation of the indoor and outdoor WAPs, where will the 40 indoor WAPs be mounted?

A: In the ceiling, network drops will already be wired at these ceiling locations

Q: Regarding the installation of the indoor and outdoor WAPs, will the 40 indoor WAPs be mounted below or above ceiling tile?

A: These will be open ceilings with no ceiling tiles

Q: Regarding the installation of the indoor and outdoor WAPs, how and where are the external WAPs to be mounted?

A: On the outside of the buildings, locations will have network ports available and WAPs will be PoE

Q: Regarding the installation of the indoor and outdoor WAPs, will there be an existing data drop for the new WAPs?

A: Yes

Q: Regarding the installation of the indoor and outdoor WAPs, which type of Wireless Controller do you currently have?

A: Currently a 5508s, however, by the time Del Mar Heights School opens we will have new 9800 WLCs active.
