The program is commonly known as the E-Rate Program. The eligibility for discounts on internet access, telecommunications products and services, internal connection products, services and maintenance is determined by the Federal Communications Commission (FCC). Funding is made available upon application approval by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC), which was established by the Act. The amount of discount is based on the numbers of students receiving free and reduced-price meals.

1. **E-RATE CONTINGENCY**
   The project herein is contingent upon the approval of funding from the Universal Service Fund’s Schools and Libraries Program, otherwise known as E-Rate. Even after award of contract(s) and/or E-Rate funding approval is obtained, the District may or may not proceed with the project, in whole or in part. Execution of the project, in whole or in part, is solely at the discretion of the District.

2. **SERVICE PROVIDER REQUIREMENTS**
   A. District expects Service Providers to make themselves thoroughly familiar with any rules or regulations regarding the E-Rate program.
   B. Service Providers are required to be in full compliance with all current requirements and future requirements issued by the SLD throughout the contractual period of any contract entered into as a result of this RFP.
   C. Service Providers are responsible for providing a valid SPIN (Service Provider Identification Number). More information about obtaining a SPIN may be found at this website: [https://www.usac.org/e-rate/service-providers/step-1-obtain-a-spin/](https://www.usac.org/e-rate/service-providers/step-1-obtain-a-spin/).

Any potential respondent found to be in Red Light Status will be disqualified from participation in the bidding process and will be considered non-responsive. More information about FCC Red and Green Light Status may be found at this website: [http://www.fcc.gov/debt_collection/welcome.html](http://www.fcc.gov/debt_collection/welcome.html).
   F. Products and services must be delivered before billing can commence. At no time may the Service Provider invoice USAC before July 1, 2024, although the district may be invoiced prior to this date.

   H. Goods and services provided shall be clearly designated as “E-rate Eligible”. Non-eligible goods and services shall be clearly called out as 100% non-eligible or shall be “cost allocated” to show the percentage of eligible costs per SLD guidelines.
   I. In the event of questions during an E-rate pre-commitment review, post-commitment review and/or audit inquiry, the awarded Service Provider is expected to reply within 3 days to questions associated with its proposal.
J. The awarded Service Provider is required to send copies of all forms and invoices to the District prior to invoicing USAC for pre-approval. K. Services providers must comply with the FCC rules for Lowest Corresponding Price ("LCP"). Further details on LCP may be obtained at USAC’s website: [https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/].

   The annual E-Rate Funding Year begins on July 1 and expires on June 30 of each calendar year. Regardless of the contract “effective date”. E-Rate eligible goods and/or services requested in this RFP may be installed as early as April 1, 2024, if USAC is invoiced on, or after July 1, 2024. No invoices to USAC may be dated prior to July 1 of the funding year.

5. INVOICING
   A. The Service Provider agrees to bill and receive a portion of the payment for the provisions of goods and services described herein directly from USAC via the Form 474 Service Provider Invoice (SPI). The District will only be responsible for paying its non-discounted share of costs, as well as costs ineligible for E-Rate funding, and does not intend to use the BEAR process (Form 472). The maximum percentage the District will be liable
for is the pre-discount amount minus the funded amount as shown on the FCC Form 471 and any identified ineligible costs. Upon the successful receipt or posting of a Funding Commitment Decision Letter from the SLD and submission and certification of Form 486, the District shall pay only the discounted amount. However, should the District decide that it is in the best interest of the District to file a Form 472, the District will inform the Service Provider of its intent.

B. All Service Provider invoicing to USAC must be completed within 120 days from the last day of service. Should the Service Provider fail to invoice USAC in a timely manner, the District will only be responsible for paying its non-discounted share.

6. **FCC/SLD AUDITABILITY**
   The E-Rate program requires that all records be retained for at least ten (10) years from the last date of service provided on a particular funding request. Respondent hereby agrees to retain all books, records, and other documents relative to any Agreement resulting from this RFP for ten (10) years after final payment.
