*Board Policy 5117: INTERDISTRICT ATTENDANCE*

The Governing Board recognizes that students who reside in one school district may apply to attend school in another school district and that such requests are made for a variety of reasons.

***Interdistrict Attendance Agreements***

The Board may enter into an agreement with any other school district, for a term not to exceed five years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.
