

LCAP

Board Presentation
June 30, 2021

What is the LCAP?

The Local Control Accountability Plan (LCAP) is an important component of the Local Control Funding Formula (LCFF). Under the LCFF all Local Education Agencies (i.e. DMUSD) are required to prepare an **LCAP, which describes how they intend to meet annual goals for all pupils, with specific activities to address state and local priorities** identified pursuant to *EC* Section 52060(d).

Developing LCAP Actions

Proposed actions are developed through:

- Data analysis of state and local assessments
- Consideration of local indicator data
- Observational data from school visits by site and district leadership
- Parent and staff feedback via surveys, focus groups, and district committees
- Student surveys and focus groups
- Feedback from SDCOE
- Public Hearing and resulting feedback

Strong support for the plan:

- The addition of counselors to address the social-emotional needs of students
- Additional personnel to address the academic needs of students
- Keeping class size lower overall and lowering class size for grades 4-6 for the 21-22 school year
