Basic Services and Conditions at Schools

The district determines the following:

- Appropriately Assigned Teachers
- Access to Standards-Aligned Instructional Materials
- Safe, Clean and Functional School Facilities

Assessment of LEA's Performance: Standard met.

Implementation of State Academic Standards

Implementation of Core Academic Standards:

- Professional Learning
- Instructional Materials
- Improving the Delivery of Instruction

Implementation of other adopted academic standards

Support for Teachers and Administration

Outcome: Standard met.

Parent and Family Engagement

The district reflects on its progress in:

- (1) building relationships with parents and families**
- (2) building partnerships with parents and families for student outcomes**
- (3) seeking input from parents and families in decision making**

Outcome: Standard met.

School Climate

LEA administers a local climate survey to students at least every other year that provides a valid measure of perceptions of school safety and connectedness

DMUSD Student Wellness Survey (from CORE) was piloted in the fall of 2018 with sixth Grade students and was administered to all third, fourth, fifth, and sixth grade students in May 2021.

Outcome: Standard met.

Access to a Broad Course of Study

Locally Selected Measures to determine the extent to which all students have access to a broad course of study.

Actions selected to address barriers to providing students with a broad course of study.

Outcome: Standard met.

Thank you!
