Del Mar Union School District Voluntary Student Accident Insurance – 2021-2022 School Year

The Del Mar Union School District does not carry medical or dental insurance for students injured on school premises, while under school jurisdiction, or while participating in school district activities. For these reasons, the school district has arranged a student accident insurance program for your review and consideration. This insurance program is optional and complies with California Education Code, which permits distribution of necessary information from the company providing the coverage.

The following types of student accident insurance plans are available:

- 1) **School-Time Plan:** Covers injuries caused by accident occurring (1) at school during the school day; (2) while participating in school-sponsored and supervised activities; and (3) during the direct and interrupted travel to and from residence and school for regular attendance.
ANNUAL PREMIUM: Low Option - \$14.00 Medium Option - \$28.00 High Option - \$43.00

- 2) **24-Hour Plan:** Covers injuries caused by accidents occurring anytime (24 hours a day) anywhere in the world. Coverage also includes participation in certain organized sports.
ANNUAL PREMIUM: Low Option - \$82.00 Medium Option - \$105.00 High Option - \$210.00

- 3) **24-Hour Dental Coverage:** Covers dental injuries caused by accidents occurring anytime (24 hours a day) anywhere in the world. **ANNUAL PREMIUM: \$8.00**

While participation in these insurance plans is voluntary, we urge you to consider the benefits. Approved claims will be paid on a primary basis for all school-time and 24-hour injuries, except for tackle football, which will be paid on an excess basis. Although you may already have medical insurance for your family, purchase of this additional coverage could assist you by paying deductibles and balances left after your primary carrier has paid.

The application process will now be done online, and will allow parents to safely and securely transmit applications through one of the following methods.

- **Direct online submission:** through our secure web portal, www.studentinsuranceusa.com, you can complete your Student Accident Insurance application directly on our website. Click “K-12 Students”, then “Enroll Online Now.” The applications for insurance will be effective immediately and a policy number and insurance card will be available right away. Loss of Thumb and Index Finger of the Same Hand means complete Severance through or above the metacarpophalangeal joints of the same hand (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body. If the Insured suffers more than one of the above covered losses as a result of the same Accident the total amount the Company will pay is the maximum benefit. Benefits paid under this provision will be paid in addition to any other benefits provided by the Policy.
