1. **Purpose and Intention**

1.1 **Purpose of Committee.** The purposes of the Committee, as outlined in State law and as set forth in the School Committee Policies (Appendix A: Board Policy 7215: Citizens’ Oversight Committee) are as follows:

   (a) To inform the public, at least annually, in a written report, concerning the expenditure of the corresponding Proposition 39 Bond proceeds (as defined in the District Committee Policies). In carrying out this purpose the Committee shall:

      (i) Actively review and report on the proper expenditure of the corresponding Proposition 39 Bond proceeds;

      (ii) Advise the public as to whether the School District is in compliance with the requirements of Article XIII, Section 1(b)(3) of the California Constitution, which provide:

         (A) Bond proceeds may be expended only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities as approved by the voters and as identified in the school facilities project list prepared for each Election (as defined in the District Committee Policies);

         (B) No Bond proceeds are used for any teacher or non-construction administrative salaries or other school operating expenses;

         (C) Annual independent performance audits, consistent with applicable requirements of State law, must be performed by an independent consultant selected by the School District; and

         (D) Annual independent financial audits must be performed by an independent consultant selected by the School District.

   (b) The Committee shall undertake and accomplish those matters expressly stated in, or directly provided by State law and the District Committee Policies.

1.2 **Intention.** It is the intention of the Committee in adopting these Bylaws to adopt written bylaws, procedures, protocols and policies for the conduct of actions and meetings of the Committee which can be referred to by Committee Members, School District staff, School District consultants and members of the public to assist the Committee in undertaking its principal mission. Adoption of these Bylaws is permitted under Section 9.2 of the District Committee Policies.
2. **Background**

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act (School Facilities; 55% Local Vote; Bonds, Taxes; Accountability Requirements) (also known as “Proposition 39”). The central purpose and legislative intent of Proposition 39 was to ensure that the expenditures of bonds authorized pursuant to applicable State law are in strict conformity with the applicable legal requirements; that taxpayers directly participate in each oversight committee reviewing applicable bond expenditures; and that members of each oversight committee alert the public to any waste or improper expenditure of school construction bond money.

Pursuant to the provisions of the California Constitution, and California statutory provisions, the Board called a general obligation bond election (designated as “Measure MM”) pursuant to the provisions of the California Constitution, various applicable statutory requirements and the requirements of Proposition 39. The Measure MM election was called and conducted on November 6, 2018.

Pursuant to the requirements of Education Code Section 15278 et seq., the Board established the Del Mar Union School District Measure MM Citizens’ Oversight Committee (the “Committee”) to undertake those actions set forth in Education Code Sections 15278 and 15280. On July 25, 2018, the Board adopted policies and guidelines for the conduct of the Committee’s actions, appointment of Committee Members, scope of the Committee’s authority and various related matters (the District Committee Policies) (which are set out in Board Policy 7215). Members to the Committee have been appointed by the Board pursuant to the provisions of Education Code Section 15282.

The Committee has determined to adopt these Bylaws for the reasons set forth herein to govern the conduct of matters and actions of and by the Committee.

As required under the provisions of the Brown Act, members of the public shall be permitted to address the Committee, either written or orally, before the Committee undertakes actions or discussions relative to matters appearing on the agenda. The provisions of Section 11 of these Bylaws shall govern with regard to public comments provided to and received by the Committee. Each Committee meeting agenda as posted shall include the following wording, or substantially such wording:

“At this time, the Committee welcomes public comments. A total of 30 minutes is provided so members of the public can address the Committee. Speakers are limited to three (3) minutes per speaker. Unless the item has been placed on the published agenda in accordance with the Brown Act, there shall be no action taken in response to public comments submitted. The Committee may: (1) acknowledge receipt of the information; (2) refer the matter to staff with no direction as to action or priority; and/or (3) direct that the matter be agendized for a future meeting of the Committee.”

The Committee shall not undertake discussion of matters provided during the public comment session of each agenda, unless such matter appears on the agenda. The Committee may refer questions, comments or other matters provided during public comments to School District staff or may request that such matter be agendized for a future meeting of the Committee.

Minutes of the Committee shall be posted on the Committee Website, pursuant to Section 16 of these Bylaws, following approval of such minutes by the Committee.

8. Rules of Decorum and Procedure for the Committee Members

Committee Members have the right to maintain different viewpoints and it is understood that not all Committee Members will agree on all matters. However, Committee Members should always seek to respect the dignity of their positions of influence and strive to observe common standards of decorum and courtesy to the extent possible. It is encouraged for Committee Members
to maintain a polite, respectful, and courteous manner when addressing each other, School District staff, and members of the public.

Additionally, no Committee Member will be allowed to conduct an inspection of a School District school site or School District construction project without prior consent by School District staff. This is to ensure the privacy and safety of District students and to avoid interruptions to daily instruction at School District sites. This also allows for the School District staff to make prior arrangements to ensure such safety to the students, School District staff, and Committee Member(s).

9. **Communications between Committee Members at Meetings**

   A Committee Member wishing to speak should request the floor by being recognized by the President before speaking. The President must recognize any Committee Member who seeks the floor when appropriately entitled to address the Committee.

   No Committee Member shall speak again until all Committee Members have had the opportunity to speak.

   Committee Members shall be mindful that the purpose of the Committee meeting is to inform the public regarding the District’s bond expenditures. Committee Members shall avoid repetition and shall limit their comments to the subject matter at hand. Committee Members should strive to express their opinions or views while avoiding lengthy debates.

   When one Committee Member is speaking, other Committee Members should not interrupt, disrupt, or disturb the speaker. During questions and deliberations, the President may vary the speaking sequence of Committee Members from item to item.

   Communications between Committee Members are governed by the Brown Act.

10. **Communications with Members of the Public Addressing the Committee**

    In addressing specific agenda items, Committee Members may question any member of the public addressing the Committee at the conclusion of that person’s testimony or all public testimony pertaining to that specific agenda item. A Committee Member wanting to ask questions to the member of public or the public at-large should first be recognized by the President.

    Committee Members shall not engage with the person addressing the Committee in a dialogue, but shall confine the communication to a brief question and answer format conducted through the President.

    All Committee Members requests to speak must be made through the President.

    If a member of the public addresses the Committee on a matter that is not on the agenda (e.g., during public comments), the Brown Act does not allow Committee Members to engage in discussions or deliberations of the matter. A Committee Member may do the following: refer the matter to staff, ask for additional information or request a report back, or give a very limited factual
response. If a Committee Member desires, the Committee Member may, during his or her own comments portion of the meeting, request that the matter be placed on the next Committee Meeting’s agenda or briefly respond to the item.

The Committee may not prohibit public criticism or negative comments relating to its policies, procedures, or recommendations. A member of the public may not be stopped from speaking about a viewpoint being expressed, even if the viewpoint is contrary to the recommendations of the Committee.

11. **Rules for Members of the Public**

Members of the audience should not engage in disorderly or boisterous conduct, including obscenities, lewd or disruptive behavior that would disrupt or impede the Committee Meeting. A member of the audience engaging in this behavior may, after a warning from the President, be ejected from the Committee Meeting.

No person shall block any doorways or exits.

Inside the Committee Meeting, cell phones should be silenced or turned off. Any member of the public wanting to take a phone call must move outside of the Committee Meeting and away from any doorways as to disturb the Committee Meeting.

Members of the public may address the Committee during the public comment period of the Committee Meeting. Any person wishing to speak, whether during the public comment period or before any agenda item, is requested to complete a “Speaker Request Form” and submit the form to the Committee prior to the calling to order of the meeting or as soon as reasonably practicable thereafter. All those wishing to speak must do so at the podium provided at the Committee Meeting.

No person shall address the Committee without first being recognized by the President. Each speaker shall include his/her name when called to speak.

The purpose of communicating with the Committee is to formally communicate with the Committee on matters relating to the Committee’s responsibilities and business.

12. **Violations of Decorum**

If a violation of these policies and procedures occurs, the President shall first request that a person who is violating the rules cease such conduct. If after receiving a warning, the person persists such conduct, the President may order a recess.
13. **Annual Report and Interim Reports**

The Committee shall present to the Board interim reports at the Committee’s discretion and an annual written report (“Annual Report”) which shall, at a minimum, include the following:

(a) A statement indicating whether the District is in compliance with the requirements of Article XIIIA, Section 1(b)(3) of the California Constitution;

(b) A summary of the Committee’s proceedings and activities for the preceding year; and

(c) An annual presentation to the Board of the annual financial and performance audits.

Members of an Oversight Committee may be requested to attend the meeting(s) of the Board where the annual financial audit and performance audit, prepared pursuant to the provisions of Proposition 39, are presented to the Board.

14. **Receipt and Consideration of Annual Audit Reports**

Pursuant to the requirements of the California Constitution, the School District is required to annually provide and complete annual financial and performance audits concerning the expenditure of bond proceeds generated from the sale of bonds authorized pursuant to Measure MM. Such audit reports are to be provided to the Committee prior to March 31 of each calendar year for the prior fiscal year. The Committee shall review such audit reports as and when provided by the School District. The Committee may comment upon such reports and may provide written comments to the Board, School District staff and/or members of the public. Absent objections or comments to the annual audit reports, the Committee shall take action to receive and file such audit reports and to have such audit reports placed onto the Committee website.

15. **Committee Website**

15.1 **Operation by School District.** The Committee Website shall be operated by the School District for the benefit of and at the direction of the Committee.

15.2 **Principal Purpose.** The principal purpose of the Committee Website is to provide a vehicle for communication between the Committee and members of the public.

15.3 **Agenda Reference.** Unless otherwise directed by the Committee, the Committee Website URL address shall appear on each Committee meeting agenda.
