(a) To inform the public, at least annually, in a written report, concerning the expenditure of the corresponding Proposition 39 Bond proceeds (as defined in the District Committee Policies). In carrying out this purpose the Committee shall:

(i) Actively review and report on the proper expenditure of the corresponding Proposition 39 Bond proceeds;

(B) No Bond proceeds are used for any teacher or non-construction administrative salaries or other school operating expenses;

(C) Annual independent performance audits, consistent with applicable requirements of State law, must be performed by an independent consultant selected by the School District; and

(D) Annual independent financial audits must be performed by an independent consultant selected by the School District.

(b) The Committee shall undertake and accomplish those matters expressly stated in, or directly provided by State law and the District Committee Policies.

II Intention. It is the intention of the Committee in adopting these Bylaws to adopt written bylaws, procedures, protocols and policies for the conduct of actions and meetings of the Committee which can be referred to by Committee Members, School District staff, School District consultants and members of the public to assist the Committee in undertaking its principal mission. Adoption of these Bylaws is permitted under Section 9.2 of the District Committee Policies.
2 Background

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act (School Facilities; 55% Local Vote; Bonds, Taxes; Accountability Requirements) (also known as “Proposition 39”). The central purpose and legislative intent of Proposition 39 was to ensure that the expenditures of bonds authorized pursuant to applicable State law are in strict conformity with the applicable legal requirements; that taxpayers directly participate in each oversight committee reviewing applicable bond expenditures; and that members of each oversight committee alert the public to any waste or improper expenditure of school construction bond money.

Pursuant to the provisions of the California Constitution, and California statutory provisions, the Board called a general obligation bond election (designated as “Measure MM”) pursuant to the provisions of the California Constitution, various applicable statutory requirements and the requirements of Proposition 39. The Measure MM election was called and conducted on November 6, 2018.

Pursuant to the requirements of Education Code Section 15278 et seq., the Board established the Del Mar Union School District Measure MM Citizens’ Oversight Committee (the “Committee”) to undertake those actions set forth in Education Code Sections 15278 and 15280. On July 25, 2018, the Board adopted policies and guidelines for the conduct of the Committee’s actions, appointment of Committee Members, scope of the Committee’s authority and various related matters (the District Committee Policies) (which are set out in Board Policy 7215). Members to the Committee have been appointed by the Board pursuant to the provisions of Education Code Section 15282.

The Committee has determined to adopt these Bylaws for the reasons set forth herein to govern the conduct of matters and actions of and by the Committee.

Rules of Decorum and Procedure for the Committee Members

Committee Members have the right to maintain different viewpoints and it is understood that not all Committee Members will agree on all matters. However, Committee Members should always seek to respect the dignity of their positions of influence and strive to observe common standards of decorum and courtesy to the extent possible. It is encouraged for Committee Members
to maintain a polite, respectful, and courteous manner when addressing each other, School District staff, and members of the public.

Additionally, no Committee Member will be allowed to conduct an inspection of a School District school site or School District construction project without prior consent by School District staff. This is to ensure the privacy and safety of District students and to avoid interruptions to daily instruction at School District sites. This also allows for the School District staff to make prior arrangements to ensure such safety to the students, School District staff, and Committee Member(s).

9 Communications between Committee Members at Meetings

A Committee Member wishing to speak should request the floor by being recognized by the President before speaking. The President must recognize any Committee Member who seeks the floor when appropriately entitled to address the Committee.

No Committee Member shall speak again until all Committee Members have had the opportunity to speak.

Committee Members shall be mindful that the purpose of the Committee meeting is to inform the public regarding the District’s bond expenditures. Committee Members shall avoid repetition and shall limit their comments to the subject matter at hand. Committee Members should strive to express their opinions or views while avoiding lengthy debates.

When one Committee Member is speaking, other Committee Members should not interrupt, disrupt, or disturb the speaker. During questions and deliberations, the President may vary the speaking sequence of Committee Members from item to item.

Communications between Committee Members are governed by the Brown Act.

10 Communications with Members of the Public Addressing the Committee

In addressing specific agenda items, Committee Members may question any member of the public addressing the Committee at the conclusion of that person’s testimony or all public testimony pertaining to that specific agenda item. A Committee Member wanting to ask questions to the member of public or the public at-large should first be recognized by the President.

Committee Members shall not engage with the person addressing the Committee in a dialogue, but shall confine the communication to a brief question and answer format conducted through the President.

All Committee Members requests to speak must be made through the President.

If a member of the public addresses the Committee on a matter that is not on the agenda (e.g., during public comments), the Brown Act does not allow Committee Members to engage in discussions or deliberations of the matter. A Committee Member may do the following: refer the matter to staff, ask for additional information or request a report back, or give a very limited factual
response. If a Committee Member desires, the Committee Member may, during his or her own comments portion of the meeting, request that the matter be placed on the next Committee Meeting’s agenda or briefly respond to the item.

The Committee may not prohibit public criticism or negative comments relating to its policies, procedures, or recommendations. A member of the public may not be stopped from speaking about a viewpoint being expressed, even if the viewpoint is contrary to the recommendations of the Committee.

11 Rules for Members of the Public

Members of the audience should not engage in disorderly or boisterous conduct, including obscenities, lewd or disruptive behavior that would disrupt or impede the Committee Meeting. A member of the audience engaging in this behavior may, after a warning from the President, be ejected from the Committee Meeting.

No person shall block any doorways or exits.

Inside the Committee Meeting, cell phones should be silenced or turned off. Any member of the public wanting to take a phone call must move outside of the Committee Meeting and away from any doorways as to disturb the Committee Meeting.

Members of the public may address the Committee during the public comment period of the Committee Meeting. Any person wishing to speak, whether during the public comment period or before any agenda item, is requested to complete a “Speaker Request Form” and submit the form to the Committee prior to the calling to order of the meeting or as soon as reasonably practicable thereafter. All those wishing to speak must do so at the podium provided at the Committee Meeting.

No person shall address the Committee without first being recognized by the President. Each speaker shall include his/her name when called to speak.

The purpose of communicating with the Committee is to formally communicate with the Committee on matters relating to the Committee’s responsibilities and business.

12 Violations of Decorum

BOARD POLICY 7215: Citizens’ Oversight Committee

I. Adoption of Policy and Regulations - Legal Authority.

1.0 This Del Mar Union School District (“District”) Citizens’ Oversight Committee Policy and Regulations (“Policy and Regulations”) is adopted and established by the Governing Board of Trustees (“Board”) of the District pursuant to the provisions and requirements of Article 2 of Chapter 1.5 of Part 5 of Division 1 of Title 1 of the California Education Code 15264 et seq., (hereinafter the “Law”) and pursuant to Education Code Section 35160. This Policy and Regulations shall apply to the District and each Oversight Committee (as defined below).

II. Background.

2.0 On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act (School Facilities; 55% Local Vote; Bonds, Taxes; Accountability Requirements). The central purpose and legislative intent of Proposition 39 was to ensure that the expenditures of bond measures are in strict conformity with the law; that taxpayers directly participate in each Oversight Committee reviewing applicable bond expenditures; and that members of each Oversight Committee alert the public to any waste or improper expenditure of school construction bond money.

The provisions of Proposition 39 include various accountability requirements as further discussed herein. In association with the approval of Proposition 39, the California Legislature passed, and the Governor signed, Assembly Bill 1908 (“AB 1908”), which provides additional requirements relative to school district general obligation bond elections conducted pursuant to Proposition 39. Those requirements include provisions requiring school districts that are successful in a Proposition 39 bond election to establish, appoint and support a citizens’ oversight committee, as required by the Law. This Policy and Regulations were adopted by the District pursuant to the Law in order to provide procedures for the District’s Citizens’ Oversight Committee(s) (“Oversight Committee(s)”) and to address related matters.

III. Definitions.

3.0 Unless the context clearly requires otherwise, or a term is differently defined within this Policy and Regulations, the terms set forth in this Section III shall, for all purposes of this Policy and Regulations, have the meaning(s) herein specified:

### IV. Establishment of Oversight Committee.

The Board, in its discretion, may increase the number of members of an Oversight Committee at any time, provided that each Oversight Committee shall always have an odd number of members (unless otherwise directed.
by the Board). In addition to the State requirements, the Board has a stated goal that a majority of the members of each such Oversight Committee have, to the extent practical given applicants and candidates, knowledge and experience in the fields of construction, architecture design, public financing, contract law and/or building program management. Pursuant to the provisions of State law, each successful Election shall have a separate Oversight Committee appointed therefor (unless State law allows otherwise).

V. **Purpose of Oversight Committee.**

5.0 **Statutory Purpose.** The purpose of each Oversight Committee(s), as provided in State law, shall be to inform the public, at least annually in a written report, concerning the expenditure of the corresponding Proposition 39 Bond proceeds. In carrying out this purpose each Oversight Committee shall:

(a) Actively review and report on the proper expenditure of the corresponding Proposition 39 Bond proceeds;

(b) Advise the public as to whether the District is in compliance with the requirements of Article XIIIA, Section 1(b)(3) of the California Constitution, which provides that:

(i) Bond proceeds may be expended only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities as approved by the voters and as identified in the school facilities project list prepared for each Election;

(ii) No Bond proceeds are used for any teacher or administrative salaries or other school operating expenses;

(iii) Annual independent performance audits must be performed by an independent consultant selected by the District; and

(v) Annual independent financial audits must be performed by an independent consultant selected by the District.

5.1 Each Oversight Committee shall undertake and accomplish those matters expressly stated in, or directly provided by State law, [District Resolution No. 2018-20] and this Policy and Regulations and as such may be amended from time to time.
VI. **Oversight Committee Composition.**

6.0 (a) Each Oversight Committee shall initially consist of a minimum of seven (7) members and at no time consist of less than seven (7) members, subject to the provisions of Sections 4.0 and 7.0(d) hereof and any vacancies which may occur.

(b) Each Oversight Committee may not include as a member any employee or official of the District or any vendor, contractor or consultant of the District.

(c) Each Oversight Committee shall include among its members all of the following:

   (i) One (1) member who is active in a business organization representing the business community located within the District;
   
   (ii) One (1) member who is active in a senior citizen’s organization;
   
   (iii) One (1) member who is active in a bona fide taxpayer association;
   
   (iv) One (1) member shall be the parent or guardian of a child enrolled in the District; and
   
   (v) One (1) member shall be either a parent or guardian of a child enrolled in the District and active in a parent-teacher organization, such as a parent-teacher association or school site council.

   (vi) In addition the State requirements, the Governing Board of Trustees of the District has made a commitment to help ensure that a majority of the members of each such Committee have, to the extent possible, knowledge and experience in the fields of construction, architecture design, public financing, contract law and/or building program management.

(d) Five (5) members of each Oversight Committee must satisfy the requirements set forth in VI, Section 6.0, (c)(i-v) hereof. The five (5) members appointed pursuant to VI, Section 6.0, (c)(i-v), must individually represent one of the five (5) groups set forth in Section 6.0, (c)(i-v) hereof. One member may represent more than one (1) of the groups, so long as the remaining four (4) members individually, distinctly and separately satisfy the remaining four (4) groups. In making the appointments of the remaining and additional Oversight Committee members the Board may, in its discretion, consider the various factors set forth in Section 7.0(d) hereof. The Board may remove an Oversight Committee member during his or her tenure consistent with the provisions of applicable law.
VII. Oversight Committee Appointments, Term and Vacancies.

7.0 Appointments.

(a) The initial members of each Oversight Committee shall be appointed by the Board not more than sixty (60) days after the Board’s certification of the corresponding Election results as required by the Law. Appointments shall be discussed and made in open session in accordance with Government Code Section 54957.

(b) The Board will solicit applications (which may occur through action(s) of District staff as directed by the Board) for appointment to an Oversight Committee and may require candidates for membership on an Oversight Committee to submit information on a stated form. Important information regarding the application form and the application process will be posted on the District’s website at www.dmusd.org (or such other internet address(es) as may be utilized from time to time). Solicitations for applications for appointment to an Oversight Committee are expected to be made to various professional, civic and governmental organizations in order to provide a broad range of Oversight Committee qualified candidates. In soliciting, and appointing, members to an Oversight Committee the District expects to consult with the San Diego County Taxpayers’ Organization (provided such organization exists at the time such Oversight Committee membership at issue) in the selection and appointment of the bona fide taxpayer association member of each Oversight Committee.

(c) The Board has authorized the Superintendent, or the Superintendent’s designee(s), to advertise for and solicit candidates for consideration of appointment to the initial Committee, to review applications submitted to the District for Oversight Committee membership and make recommendations to the Board to assist the Board in appointing Oversight Committee members.

(d) In making its appointments, the Board shall satisfy the necessary statutory membership requirements on each Oversight Committee as set forth in Section 6.0(c) hereof. In making its appointments to each Oversight Committee the Board may, in its sole discretion, consider various factors applicable to each candidate, including, but not limited to, (i) residency within the boundaries of the District, (ii) whether the candidate is a registered voter within the District, and (iii) the professional and educational background of any prospective Oversight Committee member, which may include experience in construction, property, facilities management or finance matters or other factors which tend to support or complement the purposes of each Oversight Committee. Each Oversight Committee shall initially have seven (7) members; however, the Board
retains the right to appoint additional members to each Oversight Committee provided that each Oversight Committee shall always have an odd number of members (unless otherwise directed by the Board). In the event that the Law is amended to require a different or greater number of Oversight Committee members, the Board shall, within the time set by California law, take action to appoint appropriate Oversight Committee members as shall be required.

(e) Any appointee to each Oversight Committee shall be required to comply with the requirements and limitations of Section 6.0, 7.1, 7.2 and 8.2 hereof.

7.1 Term.

(a) Each Oversight Committee member shall serve for a term of two years without compensation. Members may be appointed by the Board, in its discretion, for no more than three (3) consecutive terms as provided by the Law. The Board may, in its discretion, rotate Oversight Committee member terms in order to maintain a level of experienced membership on the Committee. A member of each Oversight Committee may serve multiple non-consecutive terms as the Board may determine or direct.

(b) The term of office of an Oversight Committee member shall end upon the completion of their two-year term, as determined by the Board, or in the event that a vacancy for that Oversight Committee member’s position is determined by the Board as set forth in this Policy and Regulations. In the event that an Oversight Committee member is appointed to fill a vacancy on each Oversight Committee, the Board may appoint such member for a term as set by the Board, subject to the limitations of State law and these Policies and guidelines.

(c) The term of office of an Oversight Committee member may end prematurely in the event that each Oversight Committee terminates pursuant to the provisions set forth in Section 11.0 hereof.

7.2 Vacancies.

(a) Determination of Vacancy. The Board may determine that an Oversight Committee member’s seat on each Oversight Committee has become vacant under any of the following circumstances:

(i) Resignation of that Oversight Committee member submitted in writing to the District and/or to the Board (which shall be effective upon its receipt by the Board or other date set forth in such written resignation, as applicable);
(ii) Death, or a legal determination of the incapacity, of that Oversight Committee member;

(iii) Conviction of a violation of Government code Section 1090 et seq. or other applicable conflict of interest laws (see Section 8.3);

(iv) Conviction of any crime resulting in imprisonment; or

(v) As may otherwise be prescribed or required by law.

The power to make determinations as to vacancies on each Oversight Committee is expressly reserved to the Board.

(b) In the event that any vacancy on an Oversight Committee occurs, by way of resignation or otherwise, the Board may, in its discretion, appoint a replacement Oversight Committee member for each vacancy to serve for the remainder of the unexpired term of the vacating Oversight Committee member, or to serve for an initial two year term (as shall be determined by the Board at the time of making the appointment), in a manner it determines to be consistent with applicable law.

(c) In the event a vacancy is determined, such Oversight Committee position shall remain vacant until the Board appoints a new Oversight Committee member for that position. Following the determination of the vacancy on an Oversight Committee, the Board shall follow the procedures set forth in Section 7.0 hereof to fill such vacancy within a reasonable period of time (subject to qualified candidates and applicants). The power to fill vacancies on each Oversight Committee is expressly reserved to the Board.

(d) In making appointments to fill vacancies as set forth in this Section VII, the Board shall make appointments such that the five (5) representative groups, as set forth in Section 6.0(c) and (d) hereof, shall be maintained.

VIII. Service on Oversight Committee.

80 Service without Compensation. As set forth in the Law, members of each Oversight Committee shall serve without compensation.

(a) Each member, as a condition of membership on an Oversight Committee, may be requested to sign a certification declaring that he or she has no conflict of interest as to the issues which shall be before each Oversight Committee.

(b) Each member shall expressly be subject to the limitations and requirements of Article 4 of Division 4 of Title 1 of the California Government Code, being Government Code Sections 1090, et seq.

(c) Each member shall expressly be subject to the limitations and requirements of Article 4.7 of Division 4 of Title 1 of the California Government Code, being Government Code Sections 1125, et seq.

(d) Each member shall perform his or her duties in an impartial manner, free from bias caused by his or her own financial interests or the financial interests of persons who have supported him or her.
